ilektro™

Slimline Range electric fire

Whether mounted on a wall or built into a nook, the ilektro Slimline's slender proportions and light weight make it an easy addition that simply brings spaces to life.

Featuring a full suite of settings that allow the ilektro Slimline to be adjusted to the room conditions and to suit your mood.

Enjoy the ilektro Slimline all year-round. The inbuilt heating system can be turned off at anytime leaving the Slimline flame to operate independently.

WALL MOUNTED OR BUILT-IN

Slimline's simple mounting system allows it to be wall mounted, recessed into a wall nook or custom cabinetry.

SLIMLINE FOR ANY SPACE

The ilektro Slimline comes in a choice of three sizes 50", 60" and 72".

ilektro FLAME TECHNOLOGY

The ilektro Slimline delivers a lively flame that makes an impression in any space. Charred logs with a tailored ember bed complete the fireplace experience
