# ilektro™

## Insert electric fire

Bring a spark of life to your existing fireplace with the ilektro Insert.

Designed to be retrofit into an existing chimney, the ilektro Insert can transform your old wood or gas fire into a modern electric fireplace.

Requiring just a power point, the Insert can be installed into virtually any existing cavity - no need for flues or fire screens.

Mimicking the look of open-wood fires, the ilektro Insert maintains the authentic look of a classic fireplace.

### ilektro FLAME TECHNOLOGY

The ilektro Insert delivers a lively flame that makes an impression in any space. Charred logs with a tailored ember bed complete the fireplace experience

### HEATER

3 heater settings ranging between 900W - 1800W and also heater off option for your comfort

### EMBER BED BRIGHTNESS

3 brightness settings for your comfort

### FLAME BRIGHTNESS

Flame brightness to change the mood in your room

### POWER CABLE

The power cable lead, 1.5 meters long, can be found at the rear bottom of the fireplace

### REMOTE CONTROL

Fully control all ilektro Insert with the ilektro infrared remote control

### WARRANTY

2 year warranty for added assurance
